LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the

Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5, 1949.

The following application for a pollution control permit is made by Marmot Enterprises Ltd., who are in the process

of upgrading the presently active sewage systems within the existing Townsite of Bralorne, B.C. All installations will be upgraded to present-day standards, codes, and requirements.

Marmot Enterprises Ltd., of 306, 540 Burrard Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge effluent from a package treatment plant to be installed to service No. 2 Townsite located at Bralorne, B.C., into Cadwallader Creek, which flows north-west and discharges into Hurley River, and gives notice of its application to all persons affected.

The land upon which the works are located is District Lots 5485, 670, 5484, 669, 671 (Lillooet District).

The discharge shall be located 1,200 feet upstream from concentrating mill, 200 feet north of southeast corner of District Lot 671.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 12,000 gallons a day; maximum daily discharge, 15,000 gallons a day.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than typical secondary treatment plant effluent, meeting Level A requirements.

The type of treatment to be applied to the effluent before discharge is secondary treatment plus chlorination.

I. G. D. Smith, Administrator, hereby certify that a copy of this application has been received by the Squamish-Lillooet Regional District.

This application, dated on the 9th day of October 1973, was posted on the ground in accordance with the Pollution Control Regulations.

THE CORPORATION OF THE
CITY OF VERNONno29—6425 D. H. Brown, *City Clerk*APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT, 1967
(Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

I, W. F. White, of Box 1276, Hope, B.C., hereby apply to the Director for a permit to discharge effluent from a sanitary wastewater treatment system located near the Coquihalla River, near the Town of Hope, into an existing tile-field, and give notice of my application to all persons affected.

The land upon which the works are located is District Lot 5, Plan B1987, Kamloops District.

The discharge shall be located at an area in the northwest corner of the above-described land, near the intersection of

the Kettle Valley Railroad and Coquihalla River.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 7,050 imperial gallons; maximum daily discharge, 14,100 imperial gallons.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than extended aeration activated sludge quality (with no intentional sludge wasting). Suspended solids, 100 mg./l.; 5-day BOD, 85 mg./l.

The type of treatment to be applied to the effluent before discharge is as follows: Extended aeration activated sludge treatment.

I, J. D. Orr, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Fraser-Cheam.

This application, dated on the 30th day of October 1973, was posted on the ground in accordance with the Pollution Control Regulations.
